

# Autumn Ragland

Phone: 901-493-6080

Email: autumnragland@gmail.com

Portfolio: autumnragland.com

## Objectives

Full stack junior developer applying my skills in python and javascript. My high motivation and drive to grow and learn programming allows me to consistently fulfill project requirements and look for ways to go above and beyond.

## Languages and Frameworks

- Python
- Django
- JavaScript - Microsoft Certification
- MERN
- Java
- HTML
- CSS
- SQL

## Programs and Software

- Linux
- Windows
- IntelliJ
- GitHub

## Creative Applications

- Photoshop
- Illustrator
- InDesign
- Premiere Pro

## Safe Travels Website — Python, Django & Google Maps API

June 2019

*Self directed project to create a website that allows users to view and share travel experiences to help others plan trips and reminiscence on their own.*

- Utilized Python and Google Maps API to handle backend routes and requests.
- Implemented Django's templating language along with CSS and bootstrap with a focus on simple navigation and minimal design.

## Mock Twitter Website — MongoDB, Express, Node, React

April 2019

*Individual project to create a web application that allows users to view and create 'tweets'.*

- Utilized Express to handle backend routes and requests.
- Implemented React with a focus on pages that load quickly and efficiently.

## Mock Wikipedia Website — Python & Django

March 2019

*Individual project to create a web application that allows users to search and create articles.*

- Utilized Python to handle backend routes and requests.
- Implemented Django's templating language along with CSS to replicate the familiar Wikipedia layout with a modern twist.

## Recipe Sharing Website — Python & Django

February 2019

*Group project to create a web application that allows users to create and search for recipes..*

- Utilized Python to handle backend routes and requests.
- Implemented Django's templating language along with CSS with a focus on creating a style that reflected the style of my team.

## Education

### CodeCrew Code School, Memphis TN

Jan 2019 - Jun 2019

Intensive coding boot camp

### University of Tennessee, Knoxville TN

Aug 2016 - Sep 2018

Earned 85 credit hours towards an architecture degree with a 3.56 GPA
